

The John Henry Memorial

**EQUINE ADOPTION FAIR**

at the Kentucky Horse Park

Dear Friend of the Kentucky Horse Park,

We've all been frustrated and heart broken by the images of Kentucky's starving horses in the media. None of us can save them all, but we can each do something to save a few, and the Kentucky Horse Park is going to make it very easy for you to do that.

We are seeking donations of high quality items (including art, crafts, musical recordings and performance bookings) for a silent auction during our John Henry Memorial Equine Adoption Fair, June 28, 2008 at 6pm. All proceeds will benefit the Kentucky Horse Council's "Save Our Horses" fund, which has already saved many horses and ponies this year through its emergency hotline. The fund provides financial support for feed and veterinarian care when a good Samaritan or a county cares for a horse that has been confiscated due to its poor condition. In addition the fund is providing an Equine Abuse Investigation Class to train local officials how to successfully identify horses that need help, and how to ensure prosecution when it is warranted.

Would you please consider donating an item to our silent auction, to assist in this life saving effort? Just contact Cindy Rullman at 859-259-4209 or [cindy.rullman@ky.gov](mailto:cindy.rullman@ky.gov) for more information.
